

Ocean Acidification: Is There a Problem?

How do we Predict Earth's Future pH Levels

In prep for tomorrow's activity:

1. Go online or watch tonight's weather report for tomorrow (make sure you identify which you did). Record the date, channel and forecast below:

Date: _____ Channel/Website: _____

Forecast:

| |
|------------|
| Morning: |
| Afternoon: |
| Evening: |

2. Tomorrow, record the weather throughout the school day.
